EXPERIENCE

HOUSEKEEPER
OASIS DA CHARITY
JULY- OCT 2020

Oasis is a domestic abuse charity which supports victims of domestic abuse. My responsibilities included making their refuges, offices and shop space COVID-safe. My role was crucial in the running of the charities' services during the pandemic. My other responsibilities: managing stock and donations, end of tenancy cleans, as well as performing health and safety checks.

CUSTOMER ASSISTANT
WAITROSE

My responsibilities were diverse, and included assisting customers on the shop floor, deli counter, and tills, as well as stock management and replenishment.

DOMESTIC CLEANER

Over the course of two years I built very trusting relationships with my clients, adapting my work to their needs. I was entrusted with their keys, access codes and possessions and learned a great deal about thoroughness and hard work.
