PROFILE

I am a highly motivated and hardworking individual. I enjoy adapting to different learning styles and I don't give up on hard tasks. I have an eagerness to succeed and to learn new skills. Currently I am looking for a job where I can help benefit the business by applying my knowledge and skills.

WORK EXPERIENCE

Throughout my time at secondary school I had to complete two weeks' worth of work experience. I completed this with BT as an assistant of a worker. This involved going around to all the different workers in Wiltshire and helping with any problems they had. We also had to complete some of our own jobs around Bath which involved putting new cabling under man hole covers and wiring new systems into telephone boxes. I enjoyed this work experience as it allowed me to see what working is like and how BT ran as a company. I also enjoyed helping with the jobs as it was a challenge.

After secondary school I studied in college for two years. After leaving college I was looking for the right job until covid-19 happened and we have been in lockdown since. I am now looking for my first job.

EDUCATION

- **Melksham Oak Community School**
- **Wiltshire College Chippenham, Business Level 3 Diploma**

GCSE's

- Additional Science – C
- Science – C
- Geography – A
- English Language – 4
