Professional Profile

Motivated young professional with an exemplary academic record and passion to progress within the workplace.

Achieved excellent grades at GCSE level in a range of subjects from Maths and English to more abstract subjects such as the highest possible grade in R.E, along with a number of clubs and activities aside from school such as a love and passion for drumming. Recently completed my A-level studies and am now awaiting my final results .I am now keen to pursue a career and have proven my aptitude to work in a team with a number of notable achievements in both my studies, the workplace, and extra-curricular activities which would make me an excellent asset to to any team or department.

Hobbies & Interests

I have currently been drumming regularly for 2 years and have so far achieved grade level 3, this has involved travelling across the country to be assessed which has been an enriching experience I am exceedingly glad to have partaken in.

My other passion is learning and strengthening my language skills, specifically German. Having visited the country twice already, I am consistently working towards becoming fluent in the near future.
