OBJECTIVE

I'm looking for a job which will help me use and develop my creative skills, in an industry that I am passionate about.

SKILLS

Creative and Flexible
Focussed
Good with People
Approachable
Organised
Team Player

EXPERIENCE

MARKETING ASISSTANT, BUSINESS WOMEN IN

January 2022 – June 2022

During my time at BWi I have improved my interpersonal skills and have used tools like Canva . I have also become proficient in Adobe Premiere Pro and Photoshop, during my time as a member of their YouTube Team and Video Creation department. My team has also been key in setting up BWi's Kartra CRM system, filming and editing videos.

FOUNDER, IMPSTONE GAMES

February 2022 – Present

I have begun the process of starting my own professional Dungeon Master business, Impstone Games. Through this I've learnt how to manage my own time, as well as how to create posts and videos for a social media marketing campaign.

ACTOR, SHAKESPEARE'S GLOBE

Bilioso, The Malcontent - September 2013 - April 2014

Jupiter, Dido Queen of Carthage – September 2014 – April 2015

As a young actor, I learnt to always be prompt, to work well in a team and to be able to listen to criticism and redirection. It also helped me develop my people skills at a young age, which

VOICE ACTOR, BBC RADIO 4

Joe, The Magic Faraway Tree, December 2016

This job was over three days at short notice, so I needed to be flexible and prepare quite a lot of work in a short period of time. I also had to think on my feet and quickly get to grips with my work.

PERSONAL SUMMARY

I am an enthusiastic, confident and creative individual, who thrives whilst working in a close-knit team. I am an excellent communicator, proactive and enjoy talking with people.

I am a positive person and quick learner, I will always give a task everything I have until it's complete to the best possible standard.

I'm looking to join a friendly and established organisation, to expand my own skills and put my creativity to use.

HOBBIES

TABLETOP GAMES

For the last three years I have run several Dungeons and Dragons games. From this I have gained an intimate knowledge of the game and learned how to lead a group of people and how to mediate and solve creative and personal differences. I also enjoy several tabletop gaming shows, such as Critical Role, Dimension 20 and Oxventurers.

VIDEO GAMES

I am an avid player of both single player and online videogames. These often help me to relax and unwind, as well as improve my creativity. I have a keen interest in the gaming industry and enjoy keeping up to date with all the latest news.

EDUCATION

MA IN CREATIVE WRITING

Warwick University, 2020 -2021

Passed with Merit.

BA JOINT HONOURS IN HISTORY & PHILOSOPHY

Warwick University, 2017-2020

Graduated with a 2.1.

WORK EXPERIENCE

EDITING FOR LITERATURE MAGAZINE

2021 - Present

Recently I have been editing submissions for Otherverse Sci-fi and Fantasy Magazine. This has improved my ability to think critically about writing and give useful feedback. It has also improved my own writing skills.

DIRECTING AT JOHN LYON

2017-2018

I directed two student performances at the John Lyon School in Harrow, which helped me learn how to solve problems creatively. I was working with children and young adults, so solutions were not always obvious or straightforward.
