Personal Statement

I am a hard-working individual that has experience with customer service and removals and seeking a new role that I can share and develop my skills. I am an enthusiastic and keen team player looking for an opportunity to gain further skills and experience. I am practical and energetic with a positive and willing approach to any task given.

Skills

Work well within a team and communicate clearly - as a removal porter as it's important to communicate with your work team to ensure the smooth running and the safety of the task.

Reliable, adaptable and flexible - at times the needs of the business change and I am required to shift my approach last minute. Positively adapting to change is one of my skills.

Work experience

2022 **Marketing assistant**, Business Women in (BWi), Work from home - A kickstart course where I've learned new skills and put them to use to advertise the BWi pages across Facebook and gained a lot of confidence in doing it. I also achieved certificates in content marketing and mental health awareness.

2019-2022 - Absent from work due to personal reasons.

2017- 2018 **Removal porter**, RH party's Removals, Christchurch - Working for a well-established removal company, assisting the team with domestic and commercial light and heavy goods removals. Teamwork and communication skills are vital in this role.

2017 **Server**, Daniels fish and chips, Highcliff - Taking orders, payments and serving customers. Answering any customer questions and queries. Money handling and ensuring the health and safety of the customers and my colleagues.

2016 **Food assistant** Sunny's fish and chips, Boscombe - Preparing potatoes and putting them through the rombler and the chipper machinery to peel and cut to size. Ensuring that the health, safety and hygiene is followed.
